

Dear Parents,

We have an E-learning day on Tuesday, January 18, 2022.

While your child is home that day he/she is expected to complete the following:

- Practice writing their name.
- Have them say each letter in their name as they write it.
- give them items to count like cereal, crayons, pencils or toys
- Read them a story. Ask them to point out letters they know.

These are a few activities they can do throughout the day for a few minutes. If you have any questions or concerns please contact your child's teacher through text or email.

We look forward to seeing your child Wednesday, January 19.
